Website : www.sgisikar.org

The Project Third phase of Technical Education Quality Improvement Programme (referred to as TEQIP-III) is fully integrated with the twelfth five year plan objectives for Technical Education as a key component for improving the quality of Engineering Education in existing institutions with a special Category States and support to strengthen few affiliated technical universities till improved their policy, academic and management practices.

RAJASTHAN TECHNICAL UNIVERSITY

Rajasthan Technical University (RTU) is located in Kota in the state of Rajasthan. It was established in 2006 by the Government of Rajasthan.

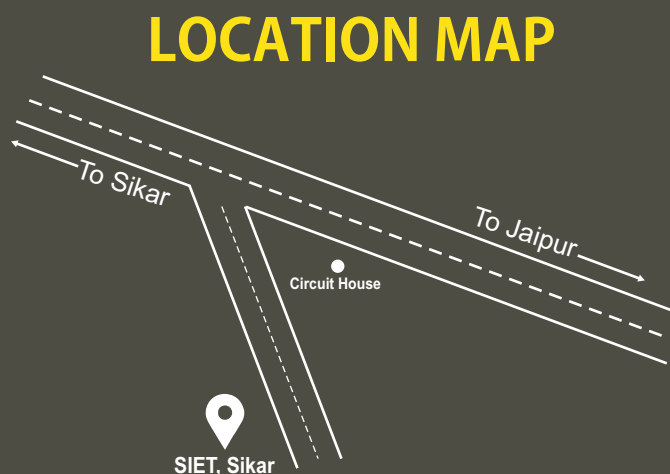

The University currently affiliates about 129 Engineering Colleges, 04 B. Arch, 41 MCA Colleges, 72 MBA Colleges, 44 M. Tech Colleges and 03 Hotel Management and Catering Institute. The University aims to improve quality technical education which may help Rajasthan in its technical development and will boost technical environment in country.

ABOUT SIET, SIKAR

The objectives of the Shekhawati Institute of Engineering & Technology are to provide the best education which will enable young boys and girls, to build their career as professional managers, to equip them with the latest concepts and up to date knowledge, to develop in them managerial skills and aptitudes to install business ethics and thus to roll out competent managers to perform superbly. Shekhawati Institute of Engineering & Technology have been promoted by the Gurukul Shikshan Sansthan a non-profit making organization, founded in 2002 in Sikar. The organization is dedicated to promote professional and technical education in the state and is presently conducting various programmes at under-graduate and postgraduate levels.

OBJECTIVES OF FDP

This Faculty Development Program is intended to provide opportunities for teachers employed in AICTE approved institutions for upgrading their knowledge and acquiring practical skills & knowledge in the area of research. The primary aim of this FDP is to provide the participants with the fundamentals of research design & methodology to conduct relevant research that will aid quality decision making and contribute to the body of knowledge in various areas of interest. The FDP Program will summarize the aspects relating to the literature review, framing objectives, hypothesis generation, collection of data, analysis of data, hypothesis testing & finally framing it into a quality research paper.

Important Dates :

Date of FDP : May 25-26, 2018

Last Date of Registration : May 20, 2018

Targeted Audience

Faculties of various Engineering institutes affiliated to Rajasthan Technical University, Kota and other centre and state universities
